Dear, Court clerk and Honorable Magistrate Judge Linda Anderson

This is Re: Cause No. 3:09CR0096 DCB-LA my court date is sometime after 1-09-2017.

My name is Mark Randall Jones

Please assist me in stopping anymore delays in this case.

Problem:

I've had trouble with my Attorneys and the prosecution getting discovery from the onset of this case Sept. 17, 2015.

These enclosed emails chronicle some of my efforts. But there have been numerous phone calls, other emails and attorney visits regarding these issues.

I also have ask my attorney to envoke the use of Title 18 section 3500 and Jencks acts to obtain additional discovery about witnesses who testified under direct examination in my co-defendants Derrick Beals trial in November 2010 under my same case number.

All these efforts have not produce any official agent or inspector reports, incident reports or notes involving this case from the prosecution

These items along with other request are essential for preparing for trial and pretrial motion I have been trying to file for 9 mths.

solution:

Please all these items subject to Title 18 section 3500, Jencks act and other discovery be aquired through subpoena as soon as possible from prospective departments in custody of them.

Respectfully submitted

To: colettelawms@gmail.com <colettelawms@gmail.com>;Dear John,

Good day to you, I hope you had a blessed holiday.

I have read over transcripts from Derrick Beals case. Co Defendant (Sk.1) Pedro Phillips stated he knew nothing of Mark Jones or any California involvement. Derrick Beals did not take the stand.

As far as my discovery is concerned, I would like it to be sent in digital form to this email or in CD or in paper form to a family member in Los Angeles.

Let me know.

John Colette did not get all Returns from california search Warrants.
Returns

However, at this time, I would like to see search warrants from California. Before and after search to see what was taken and allowed to be taken. Starting with private mailboxes, residences, bank accounts, storage facilities, etc.. Please send them to this email. There were search warrant violations and perhaps they can be leverage.

Also, regarding witness, do you have any updates on them? I have a private investigator that will research their status as well. I would like to know the name of the employee of the private mailbox company that rented a mailbox to Jeffery Anderson on Wilshire Blvd. in Los Angeles and inquire if they will be available to be a witness for the prosecution.

John, have you got any information on post office video? Because I will look into that also. Let Me know.

As far as the addresses of mine and family, my mom lives, and still lives, one and a half miles from the Jefferson property that was searched. I have photos of being at my moms every year since 2008. The police have never been there to inquire about my whereabouts. I had the properties I owned and lived in them well over a year after 2008 until they were foreclosed on. The police never came by them either. I then had a residence in my name Mark Jones until July 2013.

John, I hope these things can weaken their case and lower their presumption. then after our research I would like to go in for a bail hearing.

Best regards,

Mark

Dear honorable attorney

Sibyl C. Byrd, Panel Attorney

This is Mark Jones case NO. 3:09CR96HTWLRA, good day to you. I'm sending you this email to respectfully request that, before your last day in office next week, if would please consider contacting the records department at M.B.N. directly with a duces tecum subpoena (or whatever subpoena is needed) regarding the daily reports of M.B.N. agent Geoffrey Still from June 5th-11th of 2008. And to NOT contact the prosecutor Erin Chaulk. Because on page 299 lines 1-10 of the transcripts of my co-defendants case (please review for your opinion), The evidence that was from the prosecutions file that was presented by the defense, was NOT allowed in by the judge because there was no authenticating witness. We will need the authenticating witness anyway, so perhaps we should get the documents from the source.. the records department at M.B.N. or wherever they direct us for agent Stills daily reports. At that time we can obtain information on who to subpoena as an authenticating witness.

Also attorney Byrd, please get from the court clerk, all the photos that were filed into evidence in my co-defendants case because we can use a lot of it. Attorney Byrd, if these couple of things can be completed in the next few weeks, then when I see you, we can discuss the possible motions that can be filed. Oh yeah, please email me when you get the new court date and deadline for motions. I know the date as of now is July 6th 2016. One more thing, if there is any way you can get an approval from the Magistrate judge for ME to have any part of my discovery, I can review it while I wait to see you again.

Thank you in advance.

God Bless,

Dear Attorney Sibyl Byrd,

I hope everything is progressing well regarding your husband and his surgery, however, I am concerned you are not getting my emails. If so, please acknowledge that you are, and please let me know the new court date. This is essentially what I'm worried about at this time. Also, I read in the federal rules of procedure rule 17 (c) .. something I'm sure your aware of, regarding the ex parte duces tecum subpoena. This is something I would like to do for the subpoena of the daily records of the dates between: June 5th-11th of 2008 for M.B.M. agent Geoffrey Still, postal inspector Robert Kay, postal inspector Dominique Riley, and the whereabouts of K9 Rudy between those dates. I would like to have these daily report files in their original digital format in which they were created if possible. In addition I would like you to find out what department gets copies of these reports.

Again please acknowledge that you are receiving my emails, and let me know a time you will be available to correspond.
